Subject: ***Illegal Car Dwelling** Oro Vista Park/Grove - Constituent Call

Hello Officer C. Contreras,

I left you a detailed message regarding individuals sleeping in their vehicles in an area that is designated a red zone in violation of LAMC 85.02. I would kindly ask that officers either talk to these individuals or issue citations to deter further illegal activity. The pictures below are the vehicles that are parked on Grove and have taken permeant residence on the side of a 91 year old women's home who has single pane windows. I have included the email string below detailing the communication with Monica Rodriguez's office to ensure we are all on the same page.

I look forward to you response and please feel free to either call or email me with any questions or concerns

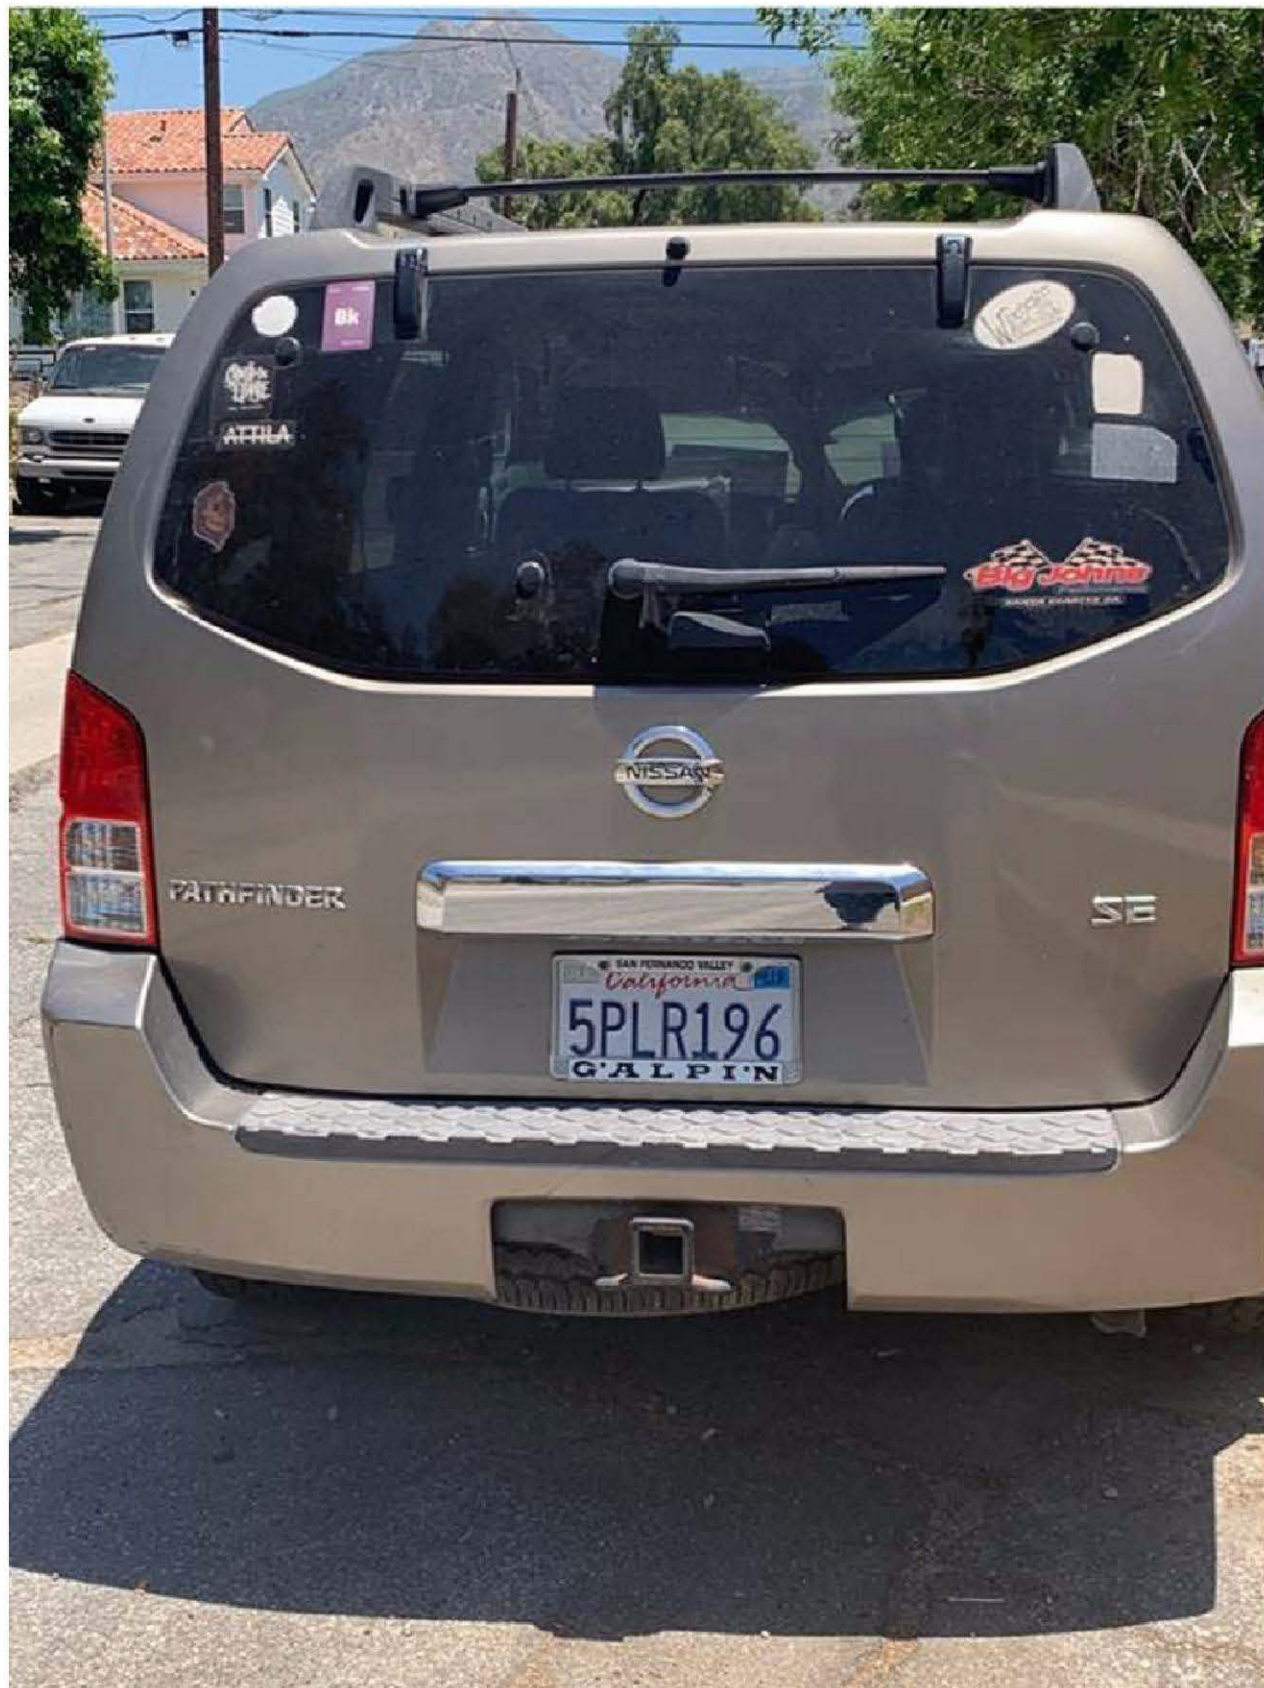

Regards,

Subject: RE: Oro Vista Park - Constituent Call

Hello Dominique & Eve,

Sorry for the delay in getting you the photos of the individuals who have taken up residence in their vehicles in front of Oro Vista Park. The homeowners would like for Mrs. Rodriguez to limit the parking to 2 hours which would deter this individuals from taking permeant residence in front of our homes. It appears that these individuals park in front of Oro Vista Park and use this location to conduct illicit drug deals.

I understand several homeowners have called Mrs. Rodriguez's office expressing their concerns regarding the homeless sleeping in their cars in front of Oro Vista Park. It is not fair that the homeowners who pay the majority of the taxes in this district have to deal with this element. Perhaps lighting the Park will minimize the unsavory element that detracts from our community. I am confident that Mrs. Rodriguez will do what's right for her constituents once the City Council resumes session to vote against extending the monetorem that allows individuals to sleep in their vehicles. We must find a viable long term solution that does not impact the law abiding homeowners.

We thank you in advance for you prompt attention to this matter and look forward to your swift action.

In gratitude,

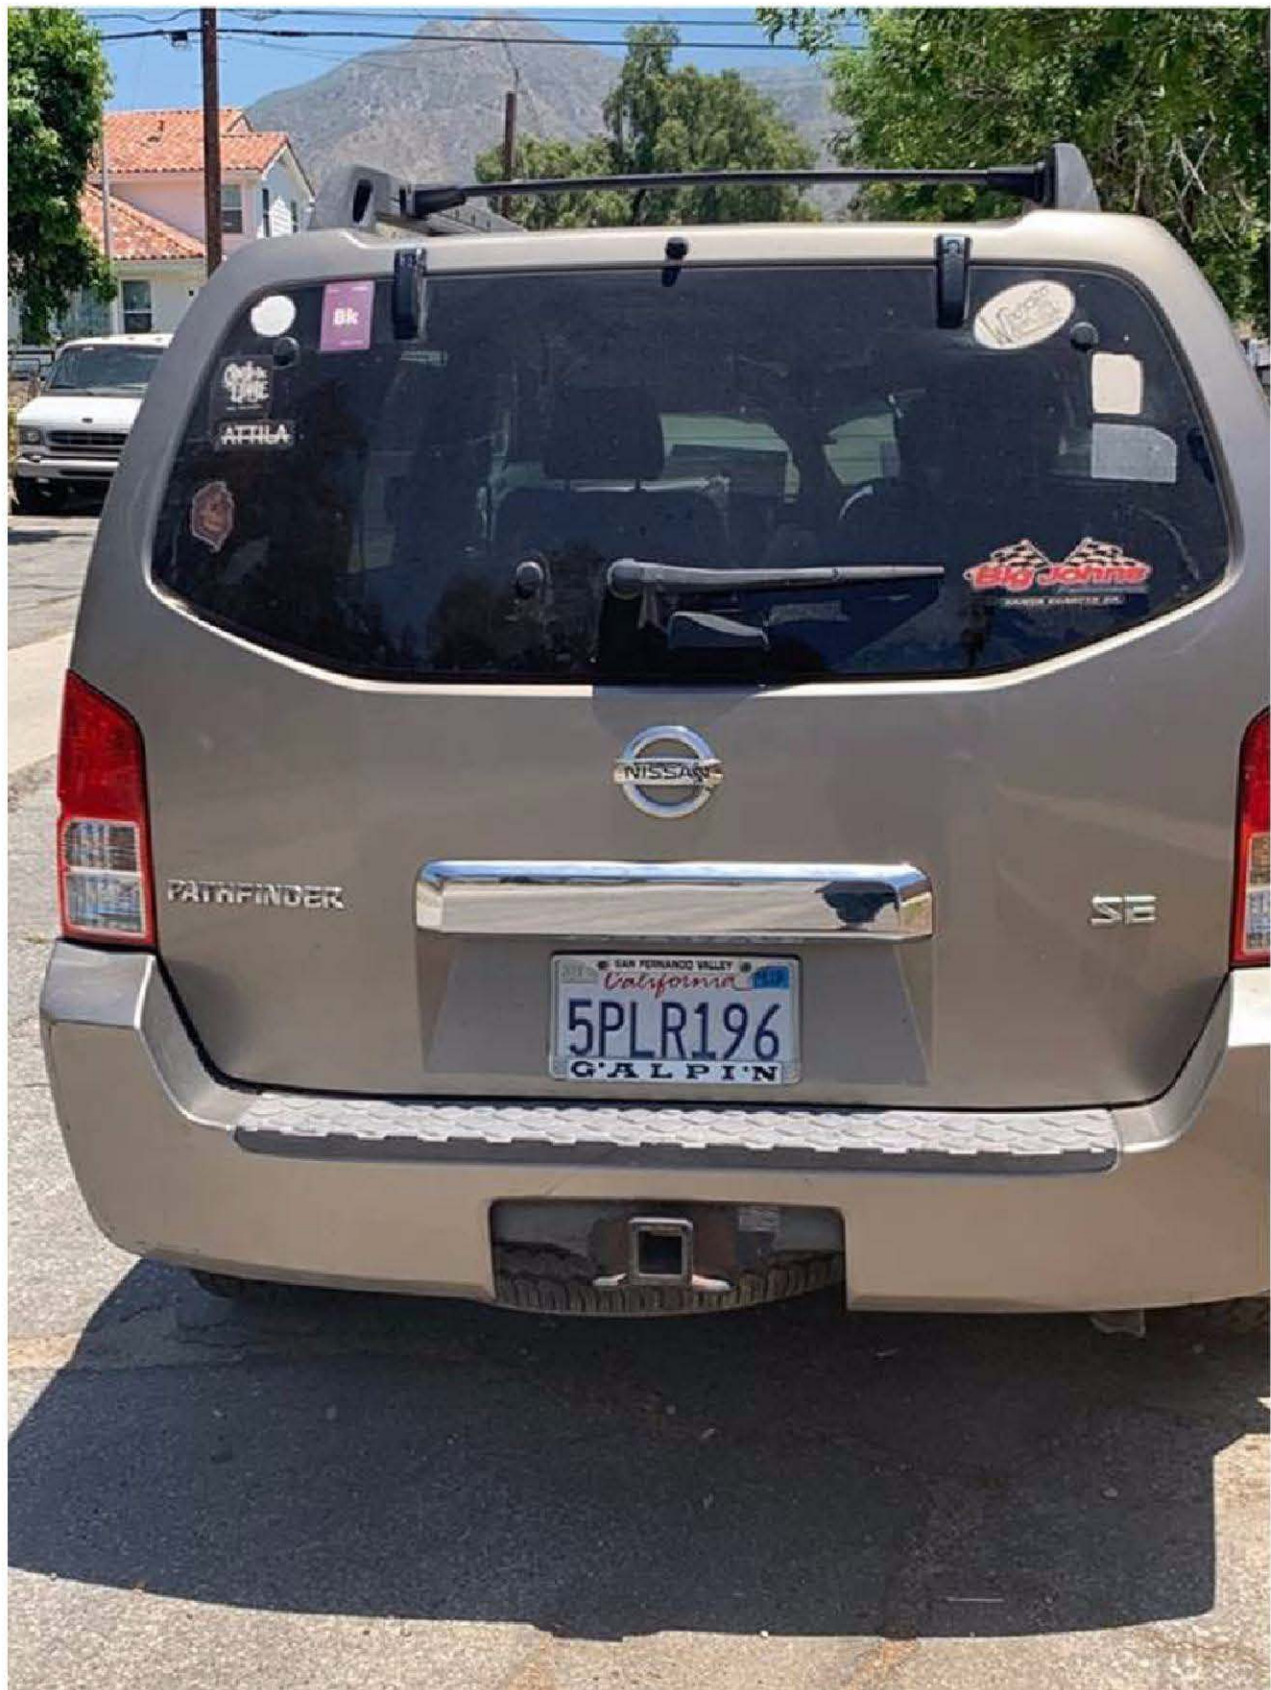

[REDACTED]
